## Garden Review

*Greetings Palace Gardens Residents and Family,*

*Love is in the air as we prepare for what cupid has in store for February. To start off the month we will have to choose sides on who will cheer for the New England Patriots or the New York Giants for Super Bowl XLVI on the 5th of February. Next off, we begin our chocolate binge on the 7th with a chocolate brownie sundae social followed by our Annual Chocolate Tasting on Friday the 10th.*

*In celebration of Valentines Day, there will be mini spa treatments held in the activities area at 10:30 am. To end the evening off in style, there will be a romantic dinner held for our fabulous couples celebrating their union of love.*

*Finally, the party doesn't stop until we say it does, and it will continue on the 23rd for our Mardi Gras Dinner! Beads and masks are all in good fashion for this event so feel free to wear your most festive outfits that may include green, yellow and purple.*

*We can't wait to express the love we have for all of you during this caring season.*

*Love always,*

*Natalie*
