St. Valentine  
♥♥♥♥

FEBRUARY, 2012

### Jazz & Wine Festival

Every February 14, across the United States and in other places around the world, candy, flowers, and gifts are exchanged between loved ones, all in the name of St. Valentine. But who is this mysterious Saint, and where did these traditions come from?

It's just a day where couples show how much they love one another? Of course not! February 14<sup>th</sup> is a day where everyone can show each other that they care about how much they are appreciated. It's a day where mothers and fathers, brothers and sisters, children and grandchildren, can show each other how much they love one another. This Valentine's Day, try to tell everyone you know just how much you care about them. Make sure not to leave friends out either. Remember friends are the family we choose for ourselves!

It's a great pleasure planning all of our parties throughout the year. I will try my very best to make this Valentine's Day a special day for all of you. We will host our Valentine's Brunch on February 11<sup>th</sup> at 12:00 PM and will display pictures of our beautiful couples as created by me with love and dedication. I do not have enough words to explain how much you all mean to me. Everyday, each and every one of you makes my heart smile!

February will be a very busy month at The Palace Renaissance. We will be hosting many special programs, which will be delivered with a lot of surprises and love to all of you. Please check inside our calendar for more details. I count on your support like always, and I want to thank everyone in advance.

With all my love,  
Maggie Miranda  
Director of Social Activities  
Maggie@thepalaceus.com
