

THE PALACE GARDENS “HITS THE JACKPOT” WITH OUTSTANDING EMPLOYEES

HOMESTEAD, Fla.—As Hollywood counted down to the Oscar nominations, 19 employees at The Palace Gardens already had their “Oscars” in hand. The group was recently recognized for their hard work and dedication during the community’s 3rd Annual Training and Education Award Ceremony.

Presented by The Palace Group University, the training and education system for The Palace Management Group which owns and operates The Palace Gardens, the award ceremony recognized training achievements and the practicing of the company’s principles and mission statement.

Over 150 guests, including coworkers and family, attended the “Hit the Jackpot”, Las Vegas themed event to honor and support the award recipients.

“These outstanding employees have done an excellent job applying The Palace’s principles to their day-to-day responsibilities,” said Juanita Baiamonte, corporate director of training and education. “The ‘Hit the Jackpot’ theme acknowledges that our residents and their families truly hit the jackpot when they chose The Palace Gardens. The winners’ dedication and commitment to delivering service and care is unparalleled.”

Nineteen “Oscars” were awarded during the event; one for each of The Palace’s 10 principles and nine for training achievements.

The presentation of the trophies was followed with a buffet-style dining and dancing in the community’s tropically landscaped garden.
