

Israel Independence Celebration at The Palace Suites

Celebrating the 68th anniversary of Israeli Independence, the residents of The Palace Suites and their guests took a fantasy flight aboard El Al Airlines to Israel. A traditional buffet featuring favorites like falafel, shawarma and assorted sides and salads was served in a shuk in Jerusalem as The Amazing Bottle Dancers performed their magic in the "streets." Our wonderful night was as exciting, colorful and eclectic as the State of Israel, filled with a variety of wonders, sounds and tastes.

Happy 68th Birthday Israel!
