

Celebrating the “Luck of Irish” at The Palace Casino.

Just for one night, The Palace became a high rollers’ casino, as we celebrated St. Patrick’s Day with an evening of leprechauns and fantasy gambling.

Over 300 residents and friends gathered for an authentic Irish pub dinner and green beer toasts, then adjointed to the gaming tables for roulette, blackjack and craps in between tents of the slot machines.

Twelve lucky winners took home the raffle prizes, but everyone hit the jackpot with another incomparable Palace evening.
