The Palace Royale Hosts Special Wedding Ceremony for a Resident's Granddaughter

BY COMMUNITY NEWS RELEASES

The Palace Royale created a once in a lifetime experience for a special grandmother hosting the wedding ceremony of her granddaughter, Carolyn Gloria Bosqui to Austin Choi.

Palace resident Gloria Goyri wanted to experience the joy seeing her granddaughter tie the knot but due to health issues would not be able to participate in the couple's actual wedding later this month.

The couple decided to bring the ceremony to her and with the assistance of General Manager Ricardo Martinez and his team, a mock wedding was created at The Palace Royale complete with a wedding ceremony, reception, violin accompaniment, cocktail and dinner and wedding photographer.

A radiant Gloria had the honor accompanying her granddaughter in her beautiful wedding gown down a rose petal strewn aisle in front of beaming guests. The bride's brother, Anthony Bosqui, officiated at the ceremony.

The Palace Royale was a perfect wedding venue for the afternoon wedding. Preceding the ceremony everyone enjoyed hors d'oeuvres and cocktails and following it a pizza buffet dinner prepared by The Palace's culinary team.

From special dances including grandmother Gloria sharing a first dance with her granddaughter to a bouquet toss and wedding cake cutting, the afternoon festivities included all the special wedding traditions making it a memorable experience filled with love.
