**SAVE THE DAY...**

Any problems, issues, or other questions?  
Call me on my cell at (786) 556-9009  
or e-mail me at Helen@ThePalace.org.  
Love Helen Shaham, Owner, The Palace

---

The month of March was unusual here at The Palace Renaissance, due to Covid-19. We are all aware of what is happening in the world, but we always try to do what is best for our residents. Although, we have had to cancel some activities that were related to our visitors. Everything else has been celebrated with your loved ones and us. Unfortunately, we have not been able to open our doors for residents’ family members, which are so essential to us.

We’re losing your participation on events, like birthday parties, monthly family event, and special occasions where people usually get together." But at the same time, I had the opportunity to communicate with most all of you through Face Time, Messenger and WhatsApp, it has been a challenge to teach residents how to use this technology, but the great thing is that they are learning and enjoying it. So, as a result I will keep this communication open for the future. It will be new a service from my Activities Department. I’d also like to share that The Palace is following the recommendations of the CDC, CMS, and the Florida Department of Health on prevention steps and is staying current with the proposals as they are updated. Also, we are in close contact with the local and state health department, as well as the Agency for Health Care Administration, and are following their guidelines and policies.

We will notify you as more information becomes available. Should you have any questions, please feel free to contact our General Manager, “Ricardo Martinez”

My calendar will be revised to any changes, depending on the progression of Covid-19. Thank you for your understanding and support as we make every effort to protect your loved one whom you have entrusted to our care.

With all my love,  
Maggie Miranda  
Director of Activities
